

Why You Should Become a Knight

Find Your Mission

Knights of Columbus plays an important role in helping men to become better fathers, husbands, and leaders. Together, we help each other find our mission and conform our lives to Christ and our principles – Charity, Unity, Fraternity and Patriotism.

When we lead in this way we experience fulfilment, relationships improve, and others follow. Family life and communities are strengthened.

Live with Purpose

Deep within the heart of every man is a call to live with purpose and meaning; a call to lead, to protect, to serve and to defend. Men today need a band of brothers – other Catholic men to share in that call, who walk together on the journey towards something better.

Lead with Faith

Knights lead with faith. Knights protect our families. Knights serve those in need. When the world says men should step aside, Knights of Columbus step up.

We are Catholic men. We live by principles informed by faith. We are sons, fathers, husbands, and grandfathers. Join us on life's greatest adventure to discover the man God calls you to be.

You are invited
